Friends:

Bowling is back! After six long months of being shut down due to the pandemic bowling centers in many areas are now resuming activity.

Your tentative plans to resume SIR tournaments in 2021 were recently submitted to the SIR State Board of Directors at their October 30th meeting and were approved with the condition that all State and local health precautions are strictly adhered to. The 2021 tournament schedule has been posted to the SIR bowling website and a copy is attached for your information. The meeting agenda is also attached..

Bowling will undergo many health precautionary changes in the coming months but it will survive and we will all once again enjoy the pleasure and many thrills it will offer.

The SIR State Bowling Committee members, SIR Tournament and League managers, and all the other leaders and organizers of SIR bowling activities are invited to participate in a very important meeting via **Zoom** to be held at **10:00 AM on Saturday November 21, 2020.** We will begin the planning process for resuming SIR bowling activities in 2021. Please plan to participate and be prepared to speak about your individual tentative or final plans as they pertain to the 2021 resumption. A tentative agenda is attached (Attachment B).

Sir Dan Weller will send you an invitation to the Zoom meeting a few days before November 21st with the required meeting ID and password for you to join us. Please RSVP your attendance to Sir Dan.

If you have any questions regarding the issues to be discussed please contact Sir Ray DiBasilio at (530) 558-9727 or RDiBasilio@GMail.com.
