January 23, 2021

Friends:

Our sincere thanks to the many dedicated medical scientists and the many other medical professionals that have developed and are now distributing millions of doses of Corona virus vaccines. Some of you have already begun the actual two-step vaccination process. I and many of my bowler friends are scheduled to receive our first dose during the next few days. I encourage all bowlers to contact their local health departments, local pharmacies, and other medical providers to inquire about receiving the vaccine and possibly arranging for an appointment to be begin the process.

The SIR State Bowling Committee members, SIR Tournament and League managers, and all the other leaders and organizers of SIR bowling activities are hereby invited to participate in a very important meeting via Zoom to be held at **10:00 AM on Saturday February 6**. We will be discussing the current status of California/Nevada bowling in general and the planning process for resuming SIR bowling in 2021. Please plan to participate and be prepared to speak about your individual tentative or final plans as they pertain to the 2021 resumption. A proposed agenda is attached for your review and comment. Please send your comments and/or suggestions to me as soon as possible.

Sir Dan Weller will send you an invitation to the Zoom meeting a few days before February 6th with the required meeting ID and password for you to join us. Please RSVP your attendance to Sir Dan. If you have any questions regarding the issues to be discussed, please contact Sir Ray DiBasilio at (530) 558-9727 or email Ray at RDiBasilio@GMail.com. If you need help regarding participation in the Zoom meeting please contact Sir Dan Weller at (925) 935-5510 or email Dan at DWeller@Astound.net. Hope to "See" you all on February 6th.

Sir Russ Salazar, Chairman
SIR State Bowling Committee
